Spaghetti Night at my house

The end of the year

For college students that's in May. I've been so fortunate to see God do some great things in the lives of students this year at NC State and from across the region.

Matt, a freshman from Matthews, NC was accepted into leadership with Campus Crusade at NC State and will be leading a freshman guys' bible study next year. This semester, Matt and I have met on Thursday mornings over bagels and coffee for discipleship (basically training in personal and spiritual growth). We have focussed on clearly communicating how to have a personal relationship with Jesus Christ. Recently we were able to share the gospel message with another student, Blanton, in the student union and see him pray to receive Christ. Please pray for Matt and Blanton as they grow in their relationships with the Lord.

This summer I will be in New York City staffing our NYC Tribeca Arts summer project from June 4 through July 15. I'm still working in the office but looking forward to the fall semester events with the NC State campus crusade staff team and leading bible study again "next year."

Thanks for your Prayers and Partnership,

John Cliver
